ANDOVER ENGAGES CONTACT FINANCIAL FOR INVESTOR RELATIONS

July 02, 2009, Vancouver, B.C. - Andover Ventures Inc. (“Andover” or the “Company”) (AOX-TSX:V) (R2X – Frankfurt Exchange) announces today that it has engaged Contact Financial to develop and execute a comprehensive marketing and investor communications plan called the “Fast Focus” program to help raise awareness of the company over a 3-month renewable term, subject to TSX Venture Exchange approval.

"We chose Andover Ventures as our latest “Fast Focus” client because the company is active again after settling a lawsuit and should have many positive catalysts over the next few months. The value of their land titles and bonded and permitted mill in a large high-grade historic mining district in Utah that they control, makes this a very well positioned company," says Keir Reynolds, vice president of Contact Financial.

Contact Financial is a Vancouver-based strategic marketing and communication firm that will increase Andover’s exposure to industry stakeholders and investors. Contact Financial will be responsible for providing advice to the company with respect to corporate development, producing and distributing effective marketing communication tools, and increasing investor awareness. For more information please visit www.contactfinancial.com.

Under the renewable agreement, Contact Financial will receive a fee of \$25,000 for an initial term of three months and \$6,000 per month, on a month-to-month basis, following. Contact Financial will further receive 250,000 incentive stock options good for two years from date of signing to purchase common shares of the company that will vest over a period of 12 months. Contact Financial is at arm's length to Andover Ventures Corp.
