ANDOVER COMMISSIONS NEW RESOURCE CALCULATION

April 20, 2009, Vancouver, B.C. - **Andover Ventures Inc. (“Andover” or the “Company”)** (AOX-TSX:V) (R2X – Frankfurt Exchange) announced today that the Company will complete a new resource calculation on the SUN polymetallic deposit located in the Ambler Mining District in Alaska, USA. The new drill data from Andover’s 20 hole drill program (see Andover news release dated January 16, 2008 for full details) will be compiled into this calculation.

Andover also announced the granting of 600,000 shares of stock options vesting over a three year period exercisable at \$0.35 per share to employees and/ or consultants of the Company.
